

Guest Lecture on Niti Ayog

Date: 17th April 2016

Speaker: Mr. D. S. Kolamkar I.E.S. (Retired)

The National Institution for Transforming India (NITI) Aayog is a Government of India policy think-tank established by Prime Minister Narendra Modi to replace the Planning Commission. The stated aim for NITI Aayog's creation is to foster involvement and participation in the economic policy-making process by the State Government of India. It has adopted a assertive approach in planning which is a remarkable contrast to the Planning Commission's tradition of slow decision-making. One of the important mandates of NITI Aayog is to bring cooperative competitive federalism and to improve center-state relation.
