MATOSHREE 29 OCT'16 VISIT FIRST YEAR MMS

GNIMS Students celebrate Diwali at Matoshree

First year MMS students unanimously decided that this year they would start Diwali celebrations by visiting an old age home 'Matoshree' on 29th October'16 in association with DIYA Mumbai. Students carried sweets, groceries for the grandparents at Matoshree. Students started the Diwali celebrations with prayers for their physical and mental well-being. One could see some in the kitchen preparing rotis, others serving food, some washing utensils and others in the residential wards of grandparents. All grandparents blessed GNIMS students and appreciated this initiative of GNIMS Business School.
