MMS first year and 20 girl students visited Rescue Foundation Kandivli campus along with Prof. Suchita Shetty. The student team met inmates had an icebreaker session with sisters, they also had a music session where students sang, the sisters at rehabilitation home sang, danced. This visit showed another shade of life to our students and Triveni Acharya, who is the driving force behind Rescue foundation appreciated the efforts of students and requested GNIMS students to share their skills with inmates at Rescue.
